List of Authorized Collection Agencies

Introduction

At KBFP Private Limited (KBFP), transparency and trust are cornerstones of our customer relationships. To ensure a seamless and secure experience, we engage a network of authorized collection agencies that adhere to the highest ethical and professional standards. This policy outlines our commitment to displaying the list of authorized collection agencies.

Purpose

The purpose of this policy is to:

1. Provide customers with verified information about our authorized collection agencies.
2. Enhance trust and mitigate risks associated with fraudulent practices.
3. Maintain transparency about our collection operations.

Display Guidelines

1. Categorization by State: The list will be organized based on the state where each agency operates, making it convenient for customers to locate relevant agencies.
2. Regular Updates: The list will be updated monthly to reflect any changes in agency authorizations.
3. Official Disclaimer: A disclaimer will be prominently displayed, stating that only the agencies listed on the website are authorized to act on behalf of KBFP.
